

## Level 1

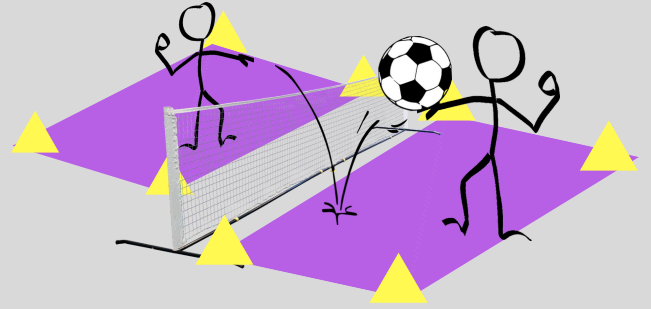

Throw the ball over the net and into your partners box. Aim for your partner.

Complete x20 catches at this level then high five your partner

## Level 2

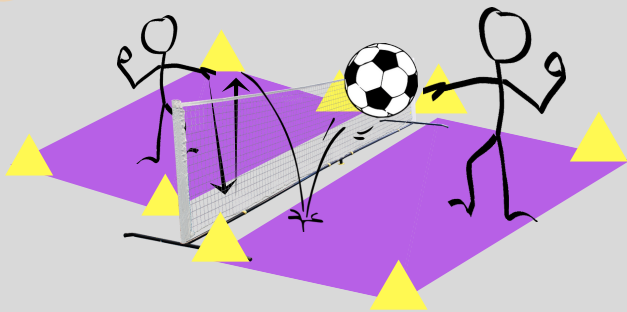

Throw the ball over the net and into your partners box away from them. Challenge your partner to move in order to catch it.

Complete x20 catches at this level then high five your partner

## Level 3

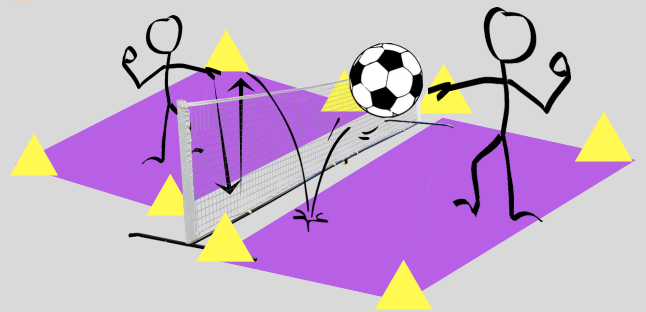

Bounce the ball then strike it with the palm of your hand into your opponents box towards them.

Complete x20 catches at this level then high five your partner

## Level 4

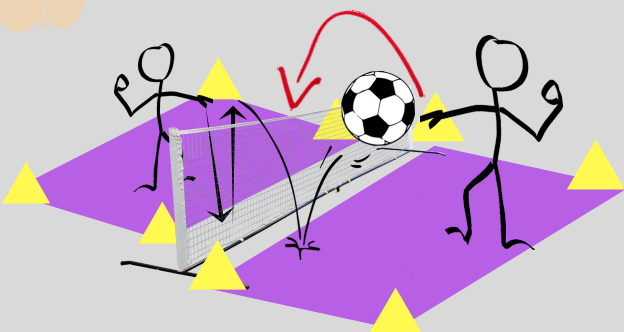

Bounce the ball then strike with the palm of your hand into your opponents box away from them.

Score a point if your partner fails to make a catch after 1 bounce. First to 10 points wins.

## Level 5

Hit the ball back and forth between yours and your partners box. Only 1 bounce allowed. This is called a rally.

Complete a x15 shot rally to pass this level.  
BONUS: Can you perform a x25 shot rally?
